

# Retirement and Independent Entities Interim Study Items

For Review by the Retirement and Independent Entities Interim Committee | June 15, 2021

On April 14, 2021, the [Legislative Management Committee](#) approved the below study items for the Retirement and Independent Entities Interim Committee. Per legislative rule [JR7-1-401](#):

- 3) *Each interim committee shall adopt a list of interim study items during the interim committee's first meeting of each calendar year as follows:*
- a. *the interim committee shall review the study items provided by the Legislative Management Committee...;*
  - b. *the interim committee may, by majority vote, modify or add to the list of study items described in Subsection (3)(a), provided that any additional item adopted by the committee is consistent with the interim committee's duties...; and*
  - c. *the interim committee shall adopt the original or amended list of study items by majority vote.*

## Study Items:

1. Overview of the RIE Committee structure, URS, and PEHP.
2. URS funding, impact of federal spending, and policy implications.
3. Shifting life expectancies and the implications for PEHP and URS.
4. Years of service timeframes and post-retirement reemployment restrictions.
5. Review of participating employer active and inactive statuses and policy implications.
6. Review the following independent entities and their independent entity status:
  - a. Utah State Railroad Museum Authority;
  - b. Utah Energy Infrastructure Authority; and
  - c. Utah Dairy Commission.
